"NOSTALGIC FASHION PRESENTATIONS"

Authentic Lingerie Fashions from 1860-1960

"The fashions presented are from my private collection of several hundred items. Although I have always enjoyed playing 'dress-up,' I began actively collecting vintage fashions in 1974 while in Montana. My Home Economics background and professional sewing experience gave me an appreciation for this beautiful 'art form.' Preserving these garments from the past is important — sharing it with others is a pleasure! I invite you to glimpse the romantic past with a Nostalgic Fashion Presentation."
